### IAPMO R&T Product Listing

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This IAPMO R&T Listing is current as of 4/17/2025

Product: Drinking Water Treatment Unit - Aesthetic Effects File No. W-10447

Issued To: TIPA TECH LTD.  
ASHITA 3  
BAR-LEV, IS 2015600  
Israel

Identification: Product shall bear:

The certified company name.

The model number or trade designation.

The appropriate certification mark.

Product markings may be permanently fixed on the system or may be included as part of product literature or packaging.

Characteristics: Point-of-use and point-of-entry systems intended to reduce substances affecting the aesthetic quality of the water or to add chemicals for scale control, or both.

Certification demonstrates that all materials safety and structural integrity (as applicable) requirements have been met.

To be installed in accordance with the manufacturer's installation instructions and the requirements of the latest edition of the Uniform Plumbing Code®.

Point-of-Entry products certified to this standard also comply with the health effects materials safety requirements listed in NSF/ANSI 61.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

Uniform Plumbing Code (UPC®)

Products are certified to the following standard(s):

NSF/ANSI 42-2022
