IAPMO R&T Product Listing

LEAD FREE

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This IAPMO R&T Listing is current as of 4/17/2025

Product: Lead Free Water Filtration Product File No. W-17085

Issued To: TIPa TECH LTD.
ASHITA 3
BAR-LEV, IS 2015600
Israel

Identification: Product may be unmarked. If a certification mark is used, it shall include:

- The certified company name.
- The model number or trade designation.
- The appropriate certification mark.

The product may also bear either "Lead Free" or "Low Lead" above or in close proximity to the certification mark.

Product markings may be permanently fixed on the system or may be included as part of product literature or packaging.

Characteristics: Products may include any pipe, pipe fitting, solder, flux, or other plumbing products providing water for human consumption. Products listed below are to be installed in accordance with the manufacturer's instruction. These products have been verified with weighted average lead content $\leq 0.25\%$; Solder and flux lead content $\leq 0.2\%$.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are certified to the following standard(s):

Section 1417(d) of the Safe Drinking Water Act The lead content requirements of Section 116875 of the California Health & Safety Code NSF/ANSI/CAN 372-2022
